

Harris & Associates

ABOUT HARRIS

We build equitable, resilient, and sustainable communities.

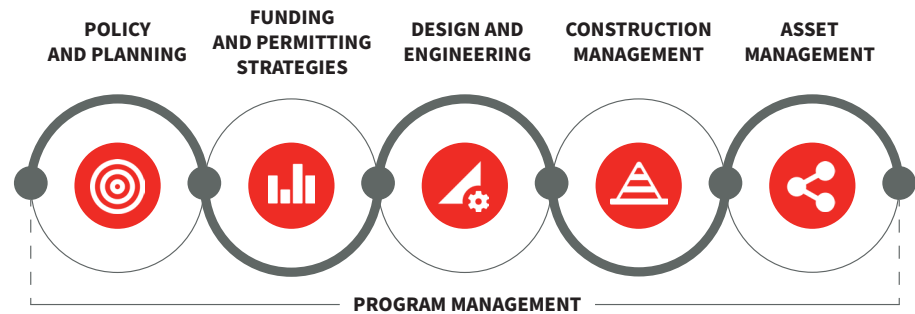

Since 1974, clients have trusted us to provide end-to-end value, from sustainable and resilient planning solutions to innovative design and construction.

About Us

Harris is a 100% employee-owned company focused on helping communities solve today’s complex challenges in planning, funding, environmental compliance, civil engineering, and construction management. Our offices and project sites span the West Coast in California and Washington with a staff of over 200 employee owners.

The Harris Way

Today’s challenges in planning and infrastructure are the most complex they have ever been. From sustainable and resilient planning solutions to innovative design and construction to the long-term management of public resources, Harris & Associates takes an interdisciplinary approach to solve these challenges and provide extraordinary value throughout the project life cycle.

Harris & Associates delivers for clients throughout the entire project lifecycle.

Our Purpose

Our Purpose is to build equitable, resilient, and sustainable communities.

Our Vision

Our Vision is to align in passion, purpose, and values with our stakeholders and be trusted advisors to community leaders.

100% Employee Owned

Harris & Associates has been a 100% employee stock ownership plan (ESOP) corporation since 2012. The ESOP is designed to build long-term wealth for our employee owners who receive additional money on top of the salaries contributed by Harris.

Being a 100% ESOP allows us to control our own destiny as employee owners, be committed to the firm’s shared success, and lay the foundation for a financially sound future.

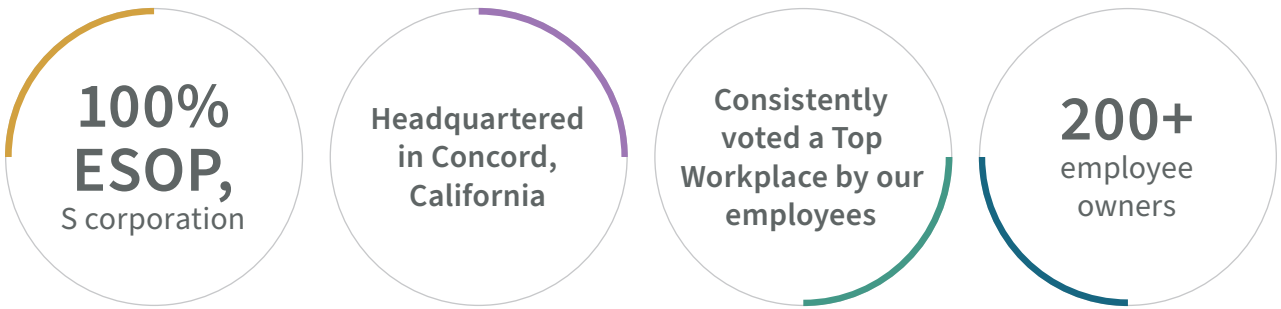

Markets

Our award-winning team has gained an unparalleled reputation for successfully delivering projects large and small in four core markets.
